

***PREPARE
TO BE
FEARLESS***

**CRICKET GEAR - 2022
AUSTRALIA**

I'M NOT AFRAID TO STAND UP TO ANYONE

I can face a speeding ball and not flinch. I can hold a bowler's stare and not blink.

In the heat of battle, reputations can be built or destroyed in the blink of an eye.

But I never surrender to pressure - or to mind games.

My crease is my domain and my eleven opponents are no match for me.

I like setting targets, chasing targets and being the target.

I'm not afraid to be the hero or the villain.

I will stand strong, even when teammates fall.

My game is bold, brave and rebellious and I have 40 years of heritage behind me.

*I am DSC. **I am Fearless.***

Endorsed by world class fearless cricketer **David Warner**, KRUNCH is a **powerful bat series** that lets you unleash the **fierce power** while playing shots on the crease. With its monster profile, **precise balance and weight** suitable to play harder shots, KRUNCH inspires confidence in you the moment it is picked up and waved in the air.

Its innovative bat design allows **maximum transfer of energy** to the ball upon impact that helps you to **conquer the boundaries** again and again. KRUNCH comes with a **round toe and oval handle** for **excellent grip** on the bat letting you hit the ball with more precision. Blade for each KRUNCH bat has to pass through the rigorous process from **selection, excoriating and pressing** by our **Master Craftsmen** having more than 40 years of heritage. As the name signifies, you'll feel the touch and sound of the ball being hit with excellent control.

Pick up a **Krunch** to enjoy the great sound of your **thunderous shots**.

Every Cricketer dreams of splitting the boundaries with powerful shots. DSC introduces SPLIIT range for such cricketers which is endorsed by **Usman Khawaja** (Australia). SPLIIT design combines **thick edges** with **no concaving** through its body to get you a mid weight bat that allows you to play **hard hitting shots**. Full width of bat and mid to low profile gives **greater sweet spot** and enormous power to hit the ball through boundaries again and again.

Blade for each SPLIIT bat is selected by **experienced Master craftsmen** for its special characteristics. Craftsmen having more than 40 years of heritage and experience turn these blades into **cannon of dangerous shots** to split the ground in all directions using all the modern techniques of manufacturing for excoriating and pressing. SPLIIT comes in our highest grade "knocked in" English Willow.

Pick a **SPLIIT** to crack the boundary on all sides of the ground.

GEAR ISN'T THE ONLY THING I PACK I ALSO BRING COURAGE

Our cricket bags are all about great quality and excellent value. They're crafted from our very own DSC DURO fabric for advanced strength and incorporate strikingly modern designs. They may be as big and bold as your game but they're also highly functional with padded walls for added protection and quality designer zips that can withstand heavy use.

All our bags have different structures and pocket designs to meet the needs of any cricketer on the move.

Pack more into your game with a DSC bag.
